

JUST IN!

JUNE 2023

JOB CORPS Y2Y IS BACK ...

AND IT'S BIGGER AND BOLDER

Job Corps' reimagined Youth 2 Youth (Y2Y) initiative has just launched to help our community battle the effects of lethal drugs and violence, as well as the growing rates of mental health struggles across the country.

YOUTH 2 YOUTH

AWARENESS. ACTION. ACCOUNTABILITY.

Y2Y SEEKS TO HELP STUDENTS:

- Talk about violence, drug use and mental health in our community.
- Empower one another to prevent violence and drug use, as well as take care of our mental health.
- Share stories and talk about solutions to help others and support our community.

NEW Y2Y STUDENT AND STAFF TOOLKIT

To help centers start a Y2Y program on their campuses, a new Y2Y Toolkit is available at the [Y2Y landing page](#) and the [Materials Marketplace](#). The toolkit contains a variety of resources and materials to help students raise Awareness about the dangers of drug use, take Action against violence, aggression and bullying, and hold each other Accountable to promote mental health and wellness.

IN THE TOOLKIT, YOU WILL FIND:

WHAT IS Y2Y? FLIER

Use this flier to inform students of the Y2Y initiative, what the goals of the initiative are and how students can establish a Y2Y program on campus. It can be shared digitally with students or printed to hang in classrooms, offices, cafeterias and other high-traffic areas at your Job Corps center.

BUT WAIT. THERE'S MORE TO COME!

In the coming weeks, even more resources will be added to this toolkit to make sure you have every resource available to accomplish your goal of creating a positive and safe experience on your campus.
