JOB CORPS' 60TH ANNIVERSARY

2024 is a big year for Job Corps as the program officially turns 60 in August! To recognize this significant milestone, Job Corps plans to celebrate all year long, and we want to provide you with the information and resources needed to help get the party started.

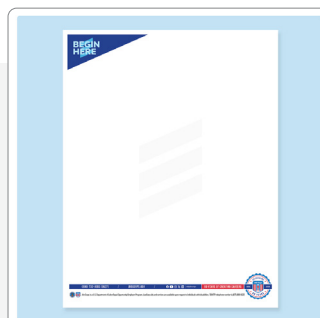

The initial suite of anniversary-branded materials below is designed for staff to spread the message about Job Corps' birthday and the impact of the program over the past six decades. From an anniversary logo to e-mail signatures, to a PowerPoint template, everyone is encouraged to use the [60th Anniversary Toolkit](#) in your daily activities. The [60th anniversary logo](#) is available to use in communications or materials throughout the year.
